

GRAPPENHALL AND THELWALL PARISH COUNCIL

**HELP TO
IMPROVE
DIAMOND PARK
Have your say!**

The Parish Council is carrying out a review of their local parks and, following the removal of a number of pieces of equipment that were in poor condition, the Parish Council is seeking the views of local residents and users as to what pieces of new equipment children would like to see in the park.

Please take a look at the following photos and tick the equipment that you like best and feel would be appropriate in Diamond Park (up to 4 pcs).

Do you have any other good ideas or suggestions? What would be your first choice out of all the options for new equipment in Diamond Park?

Please enter any comments in the box below.
