Vision for Grappenhall and Thelwall Neighbourhood Plan

The vision for the Grappenhall and Thelwall Neighbourhood Plan is that our area will develop in such a way as to provide well-designed housing and infrastructure that meets the needs of the local community and reflects the green setting of the parish.

Development will maintain and enhance our network of green spaces incorporating trees, hedges, water bodies and wildlife corridors. The development of an integrated system of walking, cycling and public transport will be a priority.

Development will respect and enhance the area's local identity, history and heritage including the sensitive restoration and reuse of vacant or underused buildings and sites.

New housing will comprise a mix of housing type and tenure, build on the area's current sense of community and civic pride and facilitate investment in local infrastructure in terms of transport improvements, community, play, health and educational facilities.
