

Rethinking South Warrington's Future

WE'RE STRONGER TOGETHER

Working together, we aim to ensure that Local Planning & Development Plans deliver the best outcome for residents and our communities.

RSWF is a newly formed, not-for-profit organisation launched to help ALL residents of South Warrington get a fair planning and development outcome from the wider Borough Council Plan.

The next draft of the Local Plan or PDO (Preferred Development Option) is imminent, so it is essential that we are prepared to submit a robust and evidenced response to shape the final draft. This extends to protection of green-space, infrastructure provision, minimising environmental impact and ensuring the scale and location of any development is warranted.

To help us ensure that the plans agreed represent the best option across South Warrington we need your help.

We are run by qualified volunteers and survive solely on donations from local residents and businesses. These donations are used to fund and support our key objectives;

- Support the funding of external planning consultants to advise and guide RSWF, Parish Councils* and ultimately, residents on the consultation responses.
- To help ensure the town's representatives are following correct procedure and acting in the interests of their electorate.
- Ensuring Warrington Borough Council's plans are effectively communicated to residents.
- To facilitate events, literature and digital communication to inform residents on the process, timings, submissions and findings from the work commissioned.

The Parish Councils across South Warrington have come together and are coordinating their efforts to support residents with a joined-up response to the PDO. However, this requires specialist support from consultants. We are aiming to raise £25k to ensure that the submission to the Draft Local Plan is comprehensive, thoroughly evidenced and has the desired effect in shaping the final approved Plan.

WE NEED YOUR SUPPORT

No donation is too small and every penny will be used to protect our communities.

To make a Donation:

Paypal is the easiest way to contribute to the fund.

visit: rethinkingsouthwarrington.org

Cheques can be made payable to:

'Rethinking South Warrington's Future'

and forwarded to:

RSWF Treasurer: 2 Mosswood Hall Cottage, Stretton Road. Warrington WA4 4NW

We can not stress enough how important this activity is for our local community. Decisions that will be made over the next 12mths will shape our villages and green-space for years to come, with irreversible impact.

We are hoping that we can all work together to deliver an approved plan that reflects the best option for residents and the wider community.

Many Thanks for your support

Rethinking South Warrington's Future
