Using the new level, SmartMotion™ technology, ZONE can see if the individual user has the correct leg, knee, hip and torso alignment. The multiple cameras that are positioned on each step of the equipment provide real-time feedback and ensure correct posture, reducing the risk of injury.

WICKSTEED Chest Press

Instructions of Use:
Sit upright in the seat with the back vertical and pushed firmly against the seat. Push the handles forward until arms are straight. Breathe out as you push.
DO NOT lock elbows.
Adjust the seat height to the correct position. Increase reps as your fitness improves.
