

Section 3 – External Auditor’s Report and Certificate 2022/23

In respect of **GRAPPENHALL & THELWALL PARISH COUNCIL - CH0082**

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2023; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor’s limited assurance opinion 2022/23

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The smaller authority has disclosed that it made proper provision during the year 2022/23 for the exercise of public rights, by answering ‘Yes’ to Section 1, Assertion 4. However, was reported by the internal auditor, we are aware that it failed to do this as the date of notice was the same as the commencement date of the period of public rights and therefore should have answered ‘No’ to this Assertion. It has also disclosed that it took appropriate action on all matters raised in reports from internal and external audit, by answering ‘Yes’ to Section 1, Assertion 7, which, on the basis of the above, is not correct.

Other matters not affecting our opinion which we draw to the attention of the authority:

In the completion of the Annual Internal Audit Report, and their detailed report, the internal auditor has drawn attention to significant weaknesses in relation to accounts management. The smaller authority must ensure that action is taken to address these areas of weakness in a timely manner.

3 External auditor certificate 2022/23

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2023.
