11 June 2026

Dear Councillor

Members of the Council you are hereby summoned to attend the Full Council meeting of GRAPPENHALL AND THELWALL COUNCIL on **Thursday 18 June 2026 at 7.00 pm** at the Council Office, Bellhouse Lane, Grappenhall WA4 2SG for the purpose of transacting the following business:

Yours sincerely

Colette Fellows

Clerk to the Council/RFO

A G E N D A

24. Apologies for Absence
To consider apologies and reasons for absence. For resolution.

25. Dispensation Requests
To consider any dispensation requests from members. For discussion and resolution.

26. Disclosures of Pecuniary and Personal Interests
Members are reminded that personal interests or prejudicial interests, as defined in the Code of Conduct, in any matter before the meeting, must be disclosed no later than the start of discussion on that item.

27. Minutes
To approve as a correct record the minutes of the Annual Parish Meeting and the Annual Council Meeting on 21 May 2026. To receive the minutes of the Environment Committee held on 7 May 2026.

28. Correspondence Miscellaneous
WBC's Electoral Services Department has processed Cllr Drogan's resignation. The position of Office of Councillor is now being advertised. The notice runs until 17 June 2026.

29. Information for Noting
a) The Clerk has received many thank-you message from guests who attended the Civic Celebration on Sunday 31 May 2026.
b) The instruction to proceed with the 3-year insurance deal has been completed.
c) The information boards for walking day have arrived at the office.
g) Councillor Contact information update will be emailed to all Councillors before the meeting.

30. Update on actions from previous meetings

Agenda Item	Action Point	Lead	Status	Update

2025/233	EV Charger GYCA Car Park	C Fellows	Ongoing	See agenda item

31. PC Crime Report

An updated crime report will be emailed to Members prior to the meeting.

32. Expenditure to date

The Clerk will present the expenditure to date. (to be sent out separately).

33. Accounts for Payment

274.1 A schedule of Accounts for Payment to be tabled. (to be sent out separately).

274.2 To note the following items over £500 for June that must be published under the Transparency Code or the Audit Regulations Section 13 (2) 'Payments over £500 each quarter.

a) Bcal -Consultation boards set of two £840.69+vat
b) Bcal – Landscape Architectural Services – RIBA Stage 2 £3192+vat
c) E Smith – bedding plants for the parish £533.25+vat
d) LCC Consultancy Investment Overview (as per policy) £890+vat
e) New fridge Fountain café kitchen £579.99+vat

The Local Government Transparency Code 2015 relates to a Parish Council which has gross annual income or expenditure (whichever is the higher) exceeding £200,000.

34. Requests for Funding

The Clerk has received the following request for funding:
34.1 The GYCA are requesting financial support for the play area. This item was deferred, information and notes sent out in April.
34.2 Stockton Heath Parish Council is requesting financial support for a recycling project (notes attached).

35. EV Chargers and Electric Vehicle for Parish Warden

The Clerk will update members with the costings for an electric vehicle or purchasing the current vehicle which is on lease until December 2026. For discussion and resolution.

36. Knutsford Road Verges.

The Clerk and Assistant Clerk have recently held discussions with Highway Officers of Warrington Borough Council (WBC) regarding the verges along the northern side of Knutsford Road from the Parish boundary at Cross Lane to its junction with Mayfield Road and the possibility of providing layby parking by removing/reducing the verge similar to that provided at Grappenhall Heys.

Due to the adjacent housing having a lack of, or insufficient, off-road parking residents are parking vehicles on the highway verge. However, given this part of the A50 is an important gateway into the Parish from the north the current appearance of the verges does not provide a good impression.

WBC Officers advise that laybys are expensive due to the requirement for them to be built to carriageway standards and the need to take account of any utilities in the area. They also advise that due to WBC's constrained budget it could not consider layby provision as it is prioritising safety and access schemes. The possibility of merely removing the grass verges and replacing them with a tarmac surface has also been explored although due to current financial constraints it is unlikely that WBC would fund this.

An initial search of utilities by WBC indicates the presence of Virgin cable, United Utilities Water, British Telecom and high voltage electric and gas utilities within the area and WBC Officers have suggested that in the first instance it would be best to establish the feasibility of providing laybys or resurfacing by establishing the depths of the various utilities by digging a trial pit. WBC Officers advise that due to current financial constraints the costs of any such trial pit would need to be passed to the Parish Council.

WBC has provided costs to excavate a trench across the width of the grass verge, to a depth of about 1 metre and record the utilities present. The cost of this work is quoted as £1437.25+vat and reflects that the workers have to dig slowly by hand, to avoid striking any of the utilities and also the need to keep safety measures in place for the road, footpath and driveways operating around them. It also includes a sum of £713.38+vat for Ground Penetrating Radar (GPR) which WBC Officers advise is optional and probably isn't necessary in this case. The removal of the GPR from the quote would reduce the cost of the feasibility work to £723.87+vat. For discussion and resolution.

37. Neighbourhood Plan - amendment

As indicated at the meeting of the Council held on 21 May 2026 it has been necessary for the Neighbourhood Plan Steering Group (NPSG) to review the draft Grappenhall and Thelwall Neighbourhood Plan and prescribed documents submitted to Warrington Borough Council (WBC) on 29 April for Regulation 16 consultation (Min 2026/9). The review has been necessary to take account of additional requirements which came into force on 25 March 2026, through the provisions of the Levelling-up and Regeneration Act 2023 (Commencement No. 11 and Saving and Transitional Provisions) Regulations 2026 which neither the NPSG or the Planners at WBC were previously aware of.

In summary, the changes are:

- so far as the qualifying body considers appropriate, and having regard to the subject matter of the plan, the plan must be designed to secure that the development and use of land in the neighbourhood area contribute to the mitigation of, and adaptation to, climate change; and

- so far as the qualifying body considers appropriate and having regard to the subject matter of the plan, the plan must be designed to take account of any Local Nature Recovery Strategy under section 104 of the Environment Act 2021 that relates to all or part of the neighbourhood plan area.

There is also a new basic condition which is one of the requirements that the Plan needs to meet. The new basic condition states that 'the making of the neighbourhood development plan would not result in the development plan for the area of the authority proposing that less housing is provided by means of development taking place in that area than if the neighbourhood development plan were not to be made'. This replaces the former basic condition that the neighbourhood plan be in general conformity with the strategic policies contained in the development plan for the area.

The implications of the above are that the NPSG is proposing the following:

- some relatively minor amendments to the draft Plan to refer to climate change and to the Local Nature Recovery Strategy;
- a revision to the Basic Conditions Statement to refer to the new condition rather than the old one; and
- amendments to the wording of policies D2 (South East Warrington Urban Extension Broad Lane Area: Design Strategy) and INF1 (Footpaths and Cycle Paths) in relation to the proposed footpath from Grappenhall Wood to Hall Lane and the deletion of showing a precise route for the proposed path on a plan replacing it with an arrow showing its general direction in order to overcome any potential objection from WBC that as previously proposed it could result in less housing being provided than if

the neighbourhood development plan were not to be made. The approach now being proposed is as previously suggested by WBC.

Members are requested to consider the amended draft Neighbourhood Plan and prescribed documents (attached) in line with Regulation 15 of the Neighbourhood Planning (General) Regulations 2012 for submission to Warrington Borough Council ahead of the Regulation 16 consultation. For ease of reference the amendments are highlighted in yellow on the attached draft Plan and Basic Conditions Statement. For discussion and resolution.

38. Warrington Borough Council Matters

Cllrs Browne, Hignett, Johnson and Speed will update members on Warrington Borough Council matters.

39. Consideration of Planning Applications

To consider the following planning applications:

2026/00650/FULH Single storey rear extension, Ferryway, Ferry Lane, Thelwall WA4 2SS
2026/00661/FULH Single storey rear extension, 509 Stockport Road, Thelwall WA4 2TH
2026/00610/FULH Proposed new lean to single storey extension to the rear of the property, 37 Weaste Lane, Thelwall WA4 3JR
